

ESTATE 2020

ALCUNE MISURE PER LA TUA SICUREZZA

Dear Guest,
your safety is our priority at Aquafollie.

You can have fun with your whole family as you always have, but in total safety.

Here are some simple indications to enjoy the park.

First, go to **www.aquafollie.it** and click on "**Buy your tickets now**" button.
Choose the tickets to buy and click on "Add to cart".

- The use of the face mask is not mandatory when using swimming pools and water attractions, nor outdoors where social distancing can be maintained. We suggest that you take the face mask with you as a precaution. It could be useful before and after accessing the park.
- Do not go to the park if you have symptoms such as fever, cough, breathing difficulties.
- When you arrive at the park, keep the safety distance of at least one meter from other people, unless they are people belonging to your family. You will find clear indicators to keep the social distance when accessing the park, attractions, refreshment points, shop.
- Validate your access at the checkout and receive the new 2020 flyer with the map of the attractions and dining options available within the park. This way, you can easily reach all the attractions.
- Remember to take a shower before entering the pools.
- Hydroalcoholic solution dispensers are available inside the park. Use them frequently to sanitize your hands.
- When you want to take a break and enjoy one of Aquafollie's goodies, just choose from the three available dining points. Place your order, receive food and pay comfortably by credit card or debit card, in absolute safety and without any risk for you and your family.
- To enjoy your break, there are shaded tables in the park, which guarantee the necessary social distance and picnic areas.
- The Park's environments and equipment are sanitized frequently.

If the governmental, regional and local provisions will change, we will promptly adapt our rules and notify our Guests.

We are waiting for you soon to have fun in safety, Aquafollie Management
